

Princess Joy and the Mountains of Gold

You've probably heard of the [Nigerian Email scams](#)?

Did you know that if you are lonely, these con people make great pen friends?

I started replying to emails from exiled kings, overly generous lotteries, and directors of companies in possession of 30 MILLION DOLLARS or more that they wanted to give away!

One email was from Princess Joy of Nigeria and then Mr James Luka wrote me offering a cool twenty million. Here is the story for your amusement. I started this story online while it was still going on so initially the email addresses are disguised, but later in the story the real email addresses are there for clarity and I stopped counting the letters after a while too....

LETTER 1 - introduction from Princess Joy

From: PRINCESSJOY <PRINCESSJOY@terra.es>
Date: Tue, 21 Dec 2004 05:21:54 -0800
Subject: From Princess Joy

Dear Sir,

INTRODUCTION I am Princess Joy Ekpo, daughter of Chief Oti Ekpo, the king of Ogoni Kingdom. I am 29 Years old and a graduate of Mass Communication.

My Father was the king of Ogoni Kingdom the highest oil Producing area in Nigeria. He was in charge of Reviving royalties from the multi-national oil Companies and government on behalf of the oil Producing communities in Nigeria. After the hanging of The Ogoni Nine (9) including Ken Saro Wiwa by the late Dictator General Sani Abacha, my father suffered Stroke and died November 15th last year. But before his death, he called me and told me he has Ten Million United states Dollars(USD10,000,000.00) cash in his Possession, Specially deposited in a Security company here. He advised me not to tell anybody except my mother who is the last wife of the (8) eight wives that he married. My mother did not bear any male child for him. Which implies that all my fathers' properties, companies etc, we have no share in them because my mother has No male child according to African Tradition.

My father therefore secretly gave me all the relevant Documents of the said money, and told me that I should Use this money with my mother and my younger sisters Because he knows that traditionally, if he dies we Cannot get anything, as inheritance. He importantly Advised me that I should seek foreign assistance and that I should not invest this money here in Nigeria Because of his other wives and male children who happen to be my elders. I am soliciting for your immediate assistance to get a bungalow for us, wherein I will live with my mother and two younger sisters and Further advise me where and how I will invest the balance money overseas, possibly on products of your Company and other profitable ventures. I believe that by the special grace of God, you will help us move this money out of Nigeria to any country of your Choice where we can invest this money judiciously with you. You are entitled to a reasonable part to this Money based on our agreement, and God will bless you as you help us. Please reply through my e-mail princess_joy@asiamail.com

Looking Forward to hear from you as soon as possible.

Best regard,

Princess Joy Ekpo

Subject: THANKS AND GOD BLESS

Dear Friend,

Hope this mail will not constitute an embarrassment to you. I came across your name while searching for a good Partner. My Name is Mr. James Luka personal assistant (P.A) to Mr. Kayode J. Naiyeju, the Accountant General of the Federal (AGF), Federal Republic of Nigeria. Recently, a large sum of money was recovered by the present democratic government from the estate of the former military dictator, General Sanni Abacha who died in 1998. This money was stashed in various accounts abroad, especially in Luxemburg, Switzerland. After recovering this money, it was discovered that the money had already accrued interest payments to the tune of over US\$35 Million. Now, this money is not part of the money recovered. And no one knows about it, but me and a few trusted aides. I intend to transfer this money abroad, to be invested or held by you on trust. This transaction is risk free and can be completed within five working days. I will need the following information to commence with this transaction.

1. Your full names,
2. Your private Telephone and Fax numbers,
3. Your contact home or office address,
4. Your age and occupation.

However, I must warn you that at this moment I am in correspondence with a certain Princess Joy of Nigeria who has also promised to share enormous sums of money in return for my help with matters of administration. Firstly, do you know Princess Joy, daughter of Chief Oti Ekpo, the king of Ogoni?

Secondly, I am indeed interested in your proposal, my company is presently seeking investment capital.

Subject: Our new business proposal

Dear James,

very sorry for my late reply as I have been spending time with the family over Christmas and without my computer.

I must say that this has come as an immense shock to me that you say Princess Joy is not real.
When I first made contact with her she enflamed my heart like a wombat and I was ready to spend thousands of dollars to move her into a bungalow with her family to evade the wrath of her petroleum-enflamed relatives. In return her company was going to invest in my business dealing in Australia, and I am not talking about any Tony Barber sums of cash, I'm talking LL Cool J, I'm talking Snoop Dog style pimpin cash bags! But after several weeks of me sending her pleading letters she has not responded to me. I think it is because she is a Princess, and when all is said and done at the end of the day, forget poetry and the glory of love, I guess that we are from different worlds, her the rich petroleum goddess spurting money and cash out her enticing fineries and me the mad surrealistic hip hop telecom phreakin footloose disco nut with barely a cent to his name and always dreaming of Mary Jane.

But my father always told me it was not wise to mix business with pleasure.I have instructed my accountant to freeze all holding accounts I had created for the transfer of funds for Princess Joy and her family. If you can provide any more information on Princess Joy I would be more than grateful. At this moment I have assigned a private detective to the case of finding her, for although on the one hand I know she has decided I am not worth the ground that she walks on I cannot help thinking that we were like perfect lovers to be married in heaven floating on raspberry rainbows based on what she said in her initial emails.

In the meantime my accountant has been instructed to create new holding accounts for Bilby-Luka.

Please feel free to use all the contact details I have provided.

Yours sincerely

Craig

Subject: Re: HAPPY NEW YEAR

Dear James,

My brother, the toll bell clangs, all is not well.

I did a lot of thinking over the New Year celebrations.

During my long life of hard work and hard saving, I had never really considered "what is it all for?".

Now comes this dreadful news that the Princess is a phony and even a criminal. I had tens of thousands of dollars ready to invest in her bungalow, but now I feel loathe to use that same money to prosecute the fairy princess who had so engaged my romantic fancies. Do you really think it is right to send a woman to prison, when once you loved her with your heart and soul?

As for the rest of my investment, I have not mentioned this matter to anyone, but my accountant keeps asking me questions with regards to setting up the account. I have told him it is none of his business, but this has attracted the interest of my other partners at the business center. As I have not given them any details, it would be in your full interest to tell them "what they want to hear" or else "what you want them to hear" if you get my drift. Speak to either Sam or Muhamed, they know my case in relation to jobsearch production and investment portfolio.

Thank you James, your advice on the Princess is most appreciated, the money would be better spent on finding out more about the Princess as a person, her family background and history, what makes her tick. But more and more I am inclined to forget the whole filthy incident and just concentrate on our new business together. So let's get cracking, I am ready to push all the buttons here so we can start creating some new wealth for ourselves. In the end God has used his wisdom to send me to the right man with my money. But any relevant details about the Princess would be most welcomed if they do surface,

May God protect you and yours.

Yours faithfully

Dear James,

I have not heard any details from you about the Princess?

Here are her details,
PRINCESSJOY <PRINCESSJOY@terra.es>

Princess Joy Ekpo, daughter of Chief Oti Ekpo, former king of Ogoni Kingdom. 29 Years old and a graduate of Mass Communication. Father was the king of Ogoni Kingdom the highest oil Producing area in Nigeria.

Are there many other chatty princesses in Nigeria, please man you must tell me. At my age, I may die tomorrow without ever meeting a real Princess.

I am so sorry, I had been so engaged with my romantic affairs with Princess Joy that I had forgotten to introduce myself properly. However, since it was you who initiated contact, I thought you already knew who I am and what I do.

My full name is Craigzantheum Bilby Brown Books.

you can see why I shorten it to Bilby Books.

I am somewhat of a celebrity in Australia, so I had assumed you knew my name, however I am well aware my fame does not extend beyond the Australia-Pacific rim.

Now at age 66, I have mainly retired from the construction business, but still keep a hand in out of love. You may have seen some of our companies work such as the Opera House, Harbour Bridge and Sydney Tower? Our company finds job contracts and awards work to the highest bidder. We have many jobsearch clients. I am looking forward to hearing from you with these details ASAP. Good luck talking me in the office as I am always out on site, or working from home.....

Sam and Muhamed are in the office most of the time, so if you leave a message with them, I can respond ASAP. This is the only means of communications as the phone is paid for by the company.

I stress that Sam and Muhamed do not know any details, so please be discreet, just tell them you are a distant relative of mine from Africa or something like that.

Dearest James,

Thank you James, your offer is most gratifying. I must admit that I still had doubts about your sincerity as I had not heard from the Princess, nor had I heard any news from you about her present state of mind.

But to offer your daughter's hand in marriage. That would indeed make us both family so that we would be natural partners in our wealth investment.

When I think of the countless thousands of dollars I have wasted of the past months that I sent to Princess Joy. Please do not tell anybody I sent her the money, as it was a private matter between me and her. But as I have not heard from her, I feel I can trust you with this personal information. Please under no circumstances in any way mention this matter at all to Sam or Muhamed. I don't want to sound like a broken record, but these men are my partners, and the less they know about my personal affairs the better or they will only ask more questions.

Looking forward to speaking with you on the phone. If you let me know what time you will call I will make sure I am in the office to receive the call. Say you have a job for me or something like that. If the receptionist doesn't know who I am, ask to speak to Sam or Muhamed who are part of my network. If I am not there, please leave a message with Sam or Muhamed.

Could you please email me these two things;

- 1) The email address of your daughter. I would like to introduce myself, and find out what her hobbies are.
- 2) Please tell me the last time you heard about Princess Joy, either on the radio, or TV, or newspaper.

Thank you

yours faithfully

PS: Although I am 66, in reality I am 69. I swap the 6 for the 9 because so many people think that once you are past 60 you have lost your mental capacity. This is firmly funky-fried-fantastic and I trust will not interfere with out future business dealings as well as my own strongly rooted desire for marital bliss, for I am looking for a Princess of the soul.

Dearest James,

I need to inform you urgently that the woman that I had been sending money to was not in fact Princess Joy. I was very concerned about the money that I had lost and was looking back through my emails and realise that the email I had was not her original email address. I think perhaps somebody else is reading my emails? Do you know much about computer spyware?

Anyway, in the end it will not change the investment plan we have, and as well you have promised your daughter's hand in marriage at the successful conclusion of this business deal, so I don't see how it matters that I have wasted a little bit of money on this phoney. There is plenty more money where that came from.

Please forward your daughters email immediately so I can tell her about my good points. I am well educated with many properties, I can even cook. And she doesn't have to clean the house because I already have a cleaner.

Has Princess Joy been on the news at all in the past few months?

Thank you and God Bless.

Introducing myself to Alice

Subject: Introduction: Bilby Books, good man for marriage

Dear Alice,

My name is Bilby Books.

Please allow me to introduce myself.

I am a man of wealth and taste.

I've been around for a long, long year....

I have a photo you can see of me, do you have a photo you can send to me?

<http://rsvp.com.au/index.jsp?referrer=/profile/profileDisplay.jsp?handle=starboardtack&k=5033180289217750582&s=37721014&u=357405&t=MEMBER>

Your father and I are conducting business together, and as you are a student of economics, he suggested I write to you in matters of romance.

If you listen to your father he will tell you what a good man I am. Your father and I will be making business together and soon we will both have a lot of money. In the past I have made some bad decisions. But with the help of a good woman I know that I can put my money to good use.

What your father does not know is just how much money I have. He doesn't even know what country I live in! He will be very surprised when he finds out how rich I am. Recently I was in line to be married to a Princess, which would mean that I would also be Royal Blood. Tell me, do you have any relatives related to Royalty? Would you be prepared to wear a crown and carry a sceptre? Your father is a very good man, and I respect his honesty, I would like to cement our friendship by sending him monies as a present. Do you think this is a good idea?

I enjoy the outdoors, camping, the bush. Also digging in the garden, fixing the fence. I like meeting interesting people, but not too many at a time. I was described as a 'straight up and down' new aged fellow, who upholds traditional values when it comes to meeting prospective ladies.

I am seeking a partner who is intelligent, attractive and without baggage (with the exception of hand baggage of course!). Someone with whom to share all the good things in life, during ones second youth.

Pleased to meet you, Hope you guess my name, But what's confusing you Is just the nature of my game.

Do you like English or American movies?

I await your reply eagerly

Yours sincerely one hand on my heart, the other you know where ;-)

Brother James, I cannot tell you what a warm feeling I get from you, trusting me with your own daughter. May I tell you that I emailed her immediately, and that I will endeavor to provide for her every happiness. If you don't mind me asking, do you have a Princess of your own?

I also told your daughter that I would be sending you a surprise soon, but please don't ask her what it is. It is just a little something to help with the marriage plans...

Finally with regards to Princess Joy. Let us forget completely about that little slut. But please, was there any news of her? I want to be certain that she has not soiled my good name abroad.

Subject: More on Princess Joy

Dear James,

I have found out more about Princess Joy.

Although I was very foolish and did not keep copies of the emails I had been sending her, I did copy the email addresses into my book. When I look back through the book I see Princess Joy was not one woman, she was many!

Here are all the addresses I could find, I am working from memory, but I am sure these are the right ones;

princessjoy@terra.es
choccyprincess@indiatimes.com
princesspuss@atlas.cz
cesspuss@atlas.cz
princess69@genericmail.com
mail@mca.com.au
princess_joy@asiamail.com

But the woman I sent money to via Western Union is definitely called Princess Joy.

Cowlane street, Lagos, Nigeria.

I sent her \$2,000 US in early December and another \$5,000 US three weeks after that for a Christmas present.

After that I never heard from her again.

Unfortunately the Princess and I never communicated on the phone.

Did you hear about her on the news over there? She told me that she was on TV recently when she attained the World Record for email generation.

And this is the really big secret, I can tell you this as we are trusted partners. The Princess told me that General Sani Abacha, her father suffered Stroke and died November 15th last year. But before his death, he called and told the Princess he had Ten Million United states Dollars (USD10,000,000.00) cash in his Possession, Specially deposited in a Security company!

So if we can locate the Princess, chances are we can both still share this wealth.

I look forward to hearing from you at your earliest convenience.

Yours sincerely under the wrathful eyes of God

Subject: Profound Love

Dearest Alice,

I am so glad you like my photo, I was very nervous.

My wife died many years ago, and my two children moved out of home long ago. They have families of their own now. I am lonely and live alone. I often hear voices in the hallway and I just know they are trying to tell me something.

I live in Australia.

I am 66 and I work in construction.

I am going to give you my office telephone number, because I am have unlimited phone account there and can talk with you for hours without costing a dollar.

Please phone Bilby Books on 612 9784 XXXX

If I am not there talk to Sam or Muhamed, but just tell them you are a distant cousin from Africa with news of some work or something.

I am sending you some pictures of what my company does.

Your father and I are engaged in a very important business deal at this very moment.
I am just waiting for my bank to activate the necessary account to proceed.

Together we could read, watch films, or love music.

Alice, I want to assure you I can satisfy your needs.
I am preparing an explicit photo so you can rest assured.
I am the complete man with complex appetites.
Do you like the love making machine?

Please Please Please send a photo soon.

Yours in Love

LETTER 11 - James needs a phone

From: "jamesluka@genericmail.com"
Date: Tue, 11 Jan 2005 10:34:15 +0000
Subject: URGENT

Dear Brother Books,

I got your email. I want you to know that I have a very good, loving, caring and pretty wife who is more than the princess and I am comfortable with her, that was why I decided to give you my lovely daughter in marriage as a sign of good business relationship and partnership.

If you like coming to Nigeria and marrying her before we conclude this transaction, you are well come. And if you still want us to do the marrying for you here without you been presents, and after that she can meet you over in your country, all you need to do is to send some money like you said, for the traditional marriage preparation.

I have noted the emails and contacts of the so called Joy Princess, I will also like if you can send to me, the princess's telephone number, for easy tracking, and I will start action immediately to make sure that I get her and persecute her as soon as possible.

I want you to do me a favor, I have applied for a mobile phone line, but I don't have a hand set to get connected. I need a very good hand set, can you send one to me or you send little money for me to get it here.

I expect your urgent reply,

Thanks and God bless,

Yours Brother

Dearest Alice,

your father has written to me with plans for our marriage.

He only needs a few things to get everything underway such as a telephone and other trivials.

Tell me, would it constitute an embarrassment to your father if I was to send him money?
In my country it is very rude to send cash as a gift so I don't want to offend him.
I have my best men Sam and Muhamed searching for the best telephone money can buy.
Should I also send him another gift such as a ride on lawn mower? Your urgent advice is requested.

Alice, you still haven't told me, is it ok I send you the rude picture of me? And I still have not seen a photo of you?

Yours in love all over again

When I got your last letter, I understood completely what the problem

Muhamed to shop for the best telephone money can buy. These men are
good for nothing loafers, but by God they know how to shop. If you do

Also, I understand the phone and will get Sam or Muhamed to buy 2 of these phones immediately. But do not send me any money please, that is not necessary. Where do I send the phones to?

I will check my email as soon as I wake tomorrow.

You also did not say whether you would be prepared for royal adornment? I have instructed Sam and Muhamed to prepare a composite artwork of how you would appear based on the photo you sent me.

Good night, sleep tight, I'll be dreaming ring tones tonight.

The letter was signed by a Dr Donald Coker. Is he your contact? Is he a good man to deal with? What is he a Doctor of?

Please indicate which cell phone is preferable.

- B) The Spectrum Cellular 'Pool Party'
- C) Motorola Metroliner

A

C

Sam and Muhamed advise me the Ericsson is very trendy these days, and the Spectrum Pool Party is the top of the line, this might be the best choice for Alice. I use the Motorola Metroliner (choice C). It may look a little clumsy, but the big keys are ideal for senior citizens and it has been proven very popular at our Rotary benefits.

Please advise me at your earliest which phone you require and which one for Alice.

Of course if you don't see a phone you like I can make Sam and Muhamed find other choices. That is what they are paid for.

When you decide we can air ship express direct to you.

That is fine, I will order the 3 phones as soon as the shop opens and post directly to you.

Your father explained to me already that you prefer MOBILE PHONE to the REGULAR HANDSET, but he did not tell me WHICH MOBILE PHONE?

You MUST TELL ME which phones you prefer;

A) Ericsson NMT 900

B) The Spectrum Cellular 'Pool Party'

C) Motorola Metroliner

A

B

C

Although the NMT 900 is stylish & portable, the Spectrum Pool Party has the added advantage of being a complete office in a briefcase. It is a phone, a fax, a GPS, a printer, a credit card processing machine and a lot more. This model has an RRP AU \$29,874.98 (TWENTY NINE THOUSAND, EIGHT HUNDRED AND SEVENTY FOUR DOLLARS AND NINETY EIGHT CENTS). Being the deluxe Pool Party edition has the added benefit of being water proof and there is an inflatable dinghy stashed inside the case for emergencies in travel. MODEL C IS THE MODEL I USE AND RECOMMEND FOR YOUR MOTHER AND FATHER, IT HAS LARGE BUTTONS THAT ARE EASY TO READ AND PUSH WITH TIRED, CLUMSY OLD FINGERS.

PLEASE ADVISE WHICH PHONE YOU, YOUR MOTHER AND YOUR FATHER REQUIRE.

As for the nude pic, thank you for go ahead, I will send in another email tonight with some poetry for you.

It is much better for me to send you the phone instead of money as I can use this as a tax write-off for my company. Do not worry about the money at all because soon your father and I will have more money than than we ever dreamed possible.

SO I ASK YOU AGAIN TO PLEASE CHOOSE FROM THE 3 PHONES - I CAN EVEN SEND YOU MORE PHONES - DO YOU HAVE FRIENDS THAT NEED PHONES?

I will be sending my nude picture soon, so I am glad you are there now to receive this very private photograph. Please under no circumstances show this to your father.

Please sorry for delay with mail as a situation has occurred that has thrown me into a quandary. Alice I do like you very much and I think you are very pretty, but I wish you were a Princess. Although I appear brave on the surface, deep down I am a very sad man.

The Princess has been writing to me begging for more money and I feel that I must send her the money she demands. I do not think she is a man because she has sent me photographs before and she has sent some again tonight. She seems to be a real and genuine Princess.

The only way I will know for sure is to make the voyage to Lagos myself to find the Princess. Before I leave I will arrange for Sam and Muhamed to post a large shipment of MOBILE PHONES. Your daughter is confident she can choose the correct phone but she does not realise all the features of the phones already selected. If you can help guide her on this matter it would speed the process. I only recommend for Alice the Spectrum Cellular 'Pool Party' deluxe edition MOBILE PHONE that is very portable with many travel-emergency features.

Subject: Re: DONT SEND ANY MONEY TO THE FAKE PRINCESS

Dear James,

there is no way that photo of Princess is a fake. Although I have not shown the photo to Sam or Muhamed, they have taught me a great deal in the past fews months regarding DIGITAL PHOTOGRAPHY and PHOTOSHOP techniques. Although I am no expert, I myself can even make a photo resemble something else or 'improve' the way something looks.

But you can't fake being a Princess, people would know straight away.

For instance the Princess once wrote to me asking advice on her poetry. She said she had no idea if it was any good due to all the sycophants. Only a Princess could possibly have those type of problems.

That is why I have decided to travel to your land immediately. I want to find this Princess for myself, and if Alice agrees, make her the baggage carrier. This is a highly esteemed position and admired greatly by all onlookers.

After shipping the phones to you and making final arrangements I will be boarding the African Queen (strange coincidence?) to be arriving in your land no later than mid-February.

Looking forward to meeting you my Brother and soon to be Father-in-Law.

Dear Brother James,

I am trying to get all the business underway before I leave.

The bank instructs me they need me to pass the funds ownership certificate to them, so could you please either send it to them or to myself.

Also, the bank requires an account that is active anywhere in the world. As we are to be sharing in all this wealth between us I suggest we start an account together in Lagos. I will arrive there in a few weeks in which time I can have my accountant activate the necessary account. Suggest the account be called 'Bilby Luka'. Do you agree father?

Also I suggest that I create a separate holding account for the Princess. I know you doubt her sincerity, but she has been back in constant email contact with me again and soon I hope we can all meet as one family in your land together.

Don't let mistrust stop us from all sharing in a vast fortune. We all have enough love for one family in God's bathroom.

I really need to get all this certificate stuff out of the way before I leave, do you agree? Or should we settle all that when I arrive?

Subject: Thank you for poem

Dearest Sweet heart Alice,

I am so sorry I got so drunk. God told me it was ok.

This morning Sam and Muhamed found me lying unconscious in a pool of vomit and shekar.

I am very sick today. My head hurts.

I thought I knew all the answers. I thought that God had sent your father to me as a miracle, then he gave his daughter's hand in marriage to bless the new family.

This is what I read in the Bible;

25 Then shalt thou turn it into money, and bind up the money in thine hand, and shalt go unto the place which the Lord thy God shall choose:
26 For thou shalt bestow that money for whatsoever thy soul lusteth after, for oxen, or for sheep, or for wine, or for strong drink, or for whatsoever thy soul desireth: and thou shalt eat there before the Lord thy God, and thou shalt rejoice, thou, and thine household.

Deuteronomy 14:24-2

God as always guided me well in matters of WORK and INVESTMENT in the past. That is why I was certain it was right to travel to your land with my INVESTMENT CAPITAL.

I am so sick today, I may have to delay my departure by a day or so, but I still think it is good to cum?

As is my custom I have sent you MARRIAGE POEM and you have sent MARRIAGE POEM back to me. Thank you my love, this shows you are sincere in your intentions. We only have to write five more poems for our love vows to be complete. Next we have to write our ACCEPTANCE OF LOVE

POEM.

Here is my ACCEPTANCE OF LOVE POEM to you.

If a Bilby could fly it would
If a Bilby had wings
would it still be a Bilby?
But Bilby has love only
for Alice his baby
and bouncing with baby
banging the booty
lets make it all juicy
like bad Goosey-Lucy
I accept all your love
on the wings of a dove
I accept you my wife
in splendor and strife
I accept you my ball
to suck on at call
I accept you my chain
and instrument of mental pain
I accept you dear Alice
I will drink from your chalice
thank you for love
I accept
below and above

Please send your ACCEPTANCE LOVE POEM back as soon as you can.

When I manage to eat something later I will try to get back to my office, and continue the preparations for my departure. Oh, I think I am going to be sick again....

I'll write back later when I feel better.

Your one true love

Bilby

Dearest Sweat heart Alice,

my most wonderful beautiful precious sweet lovely tasty dizzy jewel.....

I must tell you I have been a very sick Bilby, my Doctor told me not to drink and sent me to a specialist VETERINARIAN. I am truly belly-up today, oohhhhaaahhh.

Sorry my true love, sorry I doubted you. I should never had turned to the bottle.

When your package arrives in 2-3 weeks you will have the MOBILE PHONES as well as the Royal Adornments. This is not Fedex? Why do you recommend Fedex? They have a very bad reputation in our country? Did you not see the film "The Castaway?"

Oooaaahhh I am so sick. Sorry I have to delay my departure, I cannot get out of bed. I do not want to delay our marriage so I am using every ounce of energy I have today to send you the 3rd poem of 6 in our marriage vows.

POEM OF PERSEVERANCE

Since day one when God burped this world
and spewed onto it people from multiple herds
there has been trade and translation
and the collision of words
concepts and cultures
idleness and work.
Alice my true Love
you have collided with me
across continents
on the electronic highway
and I have vowed to accept you
for all you are worth
we are two lonely souls
with no direction on Earth.
But Art has intervened
to employ our time
like music and song, laughter and fine wine
I would never hurt you Alice
though you try to hurt me
I persevere these multiple identities
that art may reveal our Love
as we connect
as we dial-up
as we persevere
through the mud
of civilization
I must possess this process
Why should we care about some babbling woman's vanity?
Because I will it!
I persevere with this Love Story Poem
as I persevere with you
through all the trials and tribulations of Love
my most true Love Alice

My Love Poem of Perseverance to You!

Alice, I must tell you I am still very ill and nervous. The Princess never sent me the Poem of Perseverance and that is why our Marriage never went ahead. This is a very tricky poem, and I was sorry to have to compose it from my shekar-strewn sick-bed. If you are able to reply to this poem correctly then I know our marriage will be a success.
Thank you my Love.

I do not know what you mean by tracking number? Parcel will arrive in 2-3 weeks, but my arrival will be postponed, sorry if this inconveniences any marriage celebration plans.

PS: The certificates seem dreadfully expensive? I think I need to ask my lawyer how much he would charge for such a certificate..... when I manage to get out of this diarrhea-shekar strewn bed.

Thank you so much Alice.

You have touched my heart and given me wings to escape from my death-bed.

I am determined to finish the 4th poem today - the POEM OF MYSELF. This poem that we both have to write is a short story of our own lives, it sounds easy, but it is hard to write.

I will probably be at this poem most of the day.

Alice, I can't believe how far we have come together. You ask about the Princess, but don't worry about her now. The Princess never sent me the 3rd poem, plus she did other things which are very bad, so I HATE THE PRINCESS NOW.

Today I am feeling better, especially due to the arrival of your lovely email. After I write your 4th poem I will try and write to your father. This sickness of mine has slowed business which is wrong. Although I have a lot of money now, I could have even more by the time I arrive for our wedding.

Back to the poem, with an Angel watching over me,

Big Kisses and Bugs and a slip of the tongue!

Subject: QUICK RECOVERY FROM ALICE YOUR SWEETHAERT.

Dear Lovely Bilby,

I was mad to read that you are still sick after sending you my love poem to help wipe away those fears and loneliness out of your life. Bilby, I am really sorry to hear that.

I thank God that you have finally replied my email, like I told you yesterday that I will not sleep or eat until I read your mail. I really love you and can't wait for you to come for our marriage.

Sweetheart, did my dad know that you are sick? I think you should inform him.

Beloved Bilby, I still want to know who is this princess that you always mention in your mail to me, I hope she is not your wife to be, because you told me that you are coming to Nigeria for us to get married. Please don't hurt me with the much talk about princess.

Lovely Bilby, You know that I can do any thing to make you happy, oh, I wish that we are together, I would have made you fine in no time, but my God will do that.

Sweetheart, accept this love poem from your little angel Alice.

Lovely Bilby

I sent three angels

To guard over you

And they returned

When I asked why

They said that

Angels don't guard over angels

When I asked why again

They said that you are an angel.

So sweetheart, angel, please watch over yourself

For all angels are the same.

You are an angel

And my angel too

So please, keep watching over our love.

That almighty God is the angel that supersedes all angels

I pray that God almighty will always take care and watch over you

Bilby my love and our love too

Now and forever more

Amen.

I expect to hear from you as soon as possible.

Yours angel Alice.

Subject: VERY URGENT AND IMPORTANT

Dear Brother,

Thanks for your email. I am so sorry to know that you were sick, I pray that God almighty will heal you quickly. How are you doing right now, I hope better.

Please Brother, what I meant by the tracking number is to know if you sent the gifts through post office or through a courier service, and also to know when and where it will arrive. If you sent it through courier service, it will take 3-4 working days to get to the address you sent it to, and with your receipt of

shippement,there will be a tracking number in the receipt of your shippement and with that number,we can easily collect the gifts from the courier service company here,But if its by post office service,it will take up to that 2-3 weeks to arrive.and its a bit risky ,because,some one may divert the gifts,that is why i am woored.

Brother,I will appreciate if you can let give me more information on which of the postal service you used.

Please reply me now.

Thanks and God bless,

Dear Brother James,

sorry for my late replies, I have begun to feel better.

Your daughter Alice and I are busy preparing for the wedding by writing our vows in the Six Holy Poems. Brother, your daughter Alice is an Angel, she has proved to be so much more worthy than the Princess.

Brother, you were right about the Princess, she has done something very bad. Now I have a problem with her but I dare not ask your advice as I was so foolish and did not listen to you last time.

What is the exact name of this certificate we need to get to make the money transfer? Can I get the certificate made up over here? My general legal are usually only around \$500 for this type of service.

Finally, you asked about the courier service I sent the MOBILE PHONES with. They are known as Australia Post. They do not offer a tracking service for Economy Air Mail, but the price difference to mail was about \$300, so I think it was worth the risk.

Please let me know about the certificates, I feel they are very expensive. Perhaps when I arrive in Nigeria we can shop around for a cheaper lawyer?

Yours faithfully

At school

and moves like silly putty
I failed at Art
which was my passion
topped maths without trying
How's that for a lesson?
You try and live
in this world without lying
but often I was the little prick
I did many bad and wicked things
hopefully in this life
I can enjoy the peace

After school I played video games
before and during too
I've got a pixel-tanned brain
career guidance thought
I was quite insane

Subject: THIS IS FOR MY LOVE BILBY

Dear Lovely Bilby,

I was so happy to read your poem. Now you want to know about my life story, i don't really know, but i have to try.

Little was i to know what life is all about

I was able to realise this when i started my nursery

I was so happy and sad too, cause, i don't stay at home

It was always difficult to cope, cause, i miss both mum and dad.

Little did i pick up at school

When i started having good friends

Home became another place to go

As i never wished to leave my good friends home

My mum and Dad, calls me angel

My mum, is fond of me,

My dad is little hard but pampers me too

As both calls me little sweetheart

And i knew one day that i will be some one's sweetheart,

Never knew it's going to be

An old full of care, love, romance

I saked my mum one good day

Why are all men been wicked

She told me that not all men are wicked

But she told me that i will ever see a good one amongst all

That has been my prayer

Very hard to understand by friends

Because, i like doing and things been done in my own ways

Easy to satisfy too as long as things are been done my ways.

I knew i would be loved one day,

My mum told me when i refused to be fooled by other men.

But thanks to heaven,

Who listened and answered my prayer with a blessing from

Bilby. Bilby my love.

Sweetheart Bilby, I am happy that you are now getting better, please my love don't drink again, as i am almost dead for your sickness.

Sweetheart, Thanks once again for the gifts, I pray that my and your God will always enrich you and bless you and i, Amen

Lovely Bilby, I will be expecting your reply,

Yours Love and angel

Dearest Sweet Heat Alice,

now we come towards the end of our Marriage Vows.

Poem Four is the POEM of HAPPINESS in which we detail all the things that make us happy. If I know what makes you happy, then I can always make you happy, and vice versa.

Here is my poem so you will always know how I am made happy.

POEM of HAPPINESS

I like the sun
and the moon
birds and flowers
long legs and nipples
and big girly blouses
I like chocolate and pizza
but I like to keep skinny
I like Ghostface and Rizza
Snoop and Miss Elly
new stuff old stuff
tribal rhythms
the music of sex
and the taste of jism
I like building and creating

towns and empires
my own little world
and the strange worlds
of others
I like vegan delights
and all of God's garden
rhythm of life
kindness of strangers
freak coincidence
and absence of labels
a world without borders
the world of the future
the world of the past
galactic adventures
drinking blood
and romancing aliens
dancing through stars
and rescuing maidens
these are a few of my favorite things
when cats meow
when the rain comes down
on a hot tin roof
when I'm on the choof
when her mones kick in
I'm ready to begin
we foreplay for a day
gettin ready for some real sin
three day weekend Love-in
phone around for some help
disco Dave's on the funky train
raver Max wacks on waxed-out trax
nightclub Sally rides the salty taxi
we're all movin up
to the world lovin party
bouncin breasts
lewd arabesques
a smorgasbord
a sexual fest
my perfect dream team
soul lovers
dynamite
midnight lovers
nice and tight
in the pocket
soul mates
on Angel's wings
high in cloud dreams
like we're the coolest scene
painted on velvet
our new beat poem
just going forever
the universe is flowing
syncopation
mastication
deliberation
special occasion
the big bang
and the after shocks
electric beats
that make your body rock
computers
sequencers
synthesizers
processors
filters
power supplies
providers
sweet hypnotizers
harmonics
mathematics
resonant frequencies
hippy beat freaks
hip dogs and cool cats
knowing 'bout just where its at
not looking for trouble
but ready to finish it
rely on your self

your centre is everything
and everything is nothing
removing all the dirt
to get it clean and sparkling
and ready
to dance in the mud again.

I like drinking and smoking
stories and flirts
red blue and purple
laughing till it hurts
hi fi and low fi
the view from a mountain
metaphor and simile
drinking from the count-down
getting woken from your sleep
by vixens ready to party
tearing down the highway
with the stereo pounding
purple haze
and the wide open spaces
browsing for records
and girlfriends and treasures
going barefoot
without stepping on glass
training mind and body
the kundalini trance
kung fu mind control
hip hop rock with the roll
parties of friends
who trust in anarchy
like Groucho Marx said
never join a club
that will have you
This song goes forever
but I jump the train here
gotta do all those things
I just brought to your ear
now is the time
to go and explore
to get what you want
and a whole lot more
the World is your Peach
and the stone
is your Poem
my great joy is peace
in this Great River
we're flowin.....

Dear Alice, these are some of my favorite things.

Please write back soon, but take time with your poem!
I really want to know ALL the things that make you happy.

Dearest Brother James,

How are you my brother? I hope that you are well.

Everything you say makes sense, but I still feel your lawyer is charging too much for his services. Can you ask him to reduce his price?

You ask how much of the certificates can I pay for and the answer would normally be all of it. But at the moment I have further problems with the Princess. She is again demanding more money and that is only after I sent her \$9,000 at the time I was ill. The problem with the Princess is starting to worry me immensely. Tell me, did you write to her, because I still get the emails from her, up to TWELVE A DAY!

This really needs to be cleared up, because soon my Marriage Vows with Alice will be complete. She has been most complicit in composing the Holy Poems which make up our Vows. It is more than one could possibly imagine.

Your frantic response is urgently requested.

please be advised that the certificates you require shall be ready this week. Please be ready to verify the certificates and transfer the funds this week.

Also, as a completely different business proposal, I have a building project that needs to establish an off-shore account for tax purposes. Would I be able to set up an account with your bank in Nigeria? Please treat this other proposal as confidential and do not mention this to Mr Luka or his family please.
